Motion was made to go back to the regular order of business. So Voted.

Communications from the Mayor:

At this time, the Mayor presented the FY2016 Supplemental City Budget. The Mayor made a brief slide presentation. **Motion was made to move approval. So Voted.**

(Motion should have been to move to a second reading per the City Clerk)

Communications from City Officers:

Com. from City Clerk submitting list for Two (2) permanent full-time Police Officers. **Councilor Pottier made a motion to refer to the Committee on Police and License. So Voted.** Councilor Pottier stated that an extra four Police Officers were added to the budget and asked if he should motion to call for six Police Officers instead. Mayor Hoye stated that it would be a question for the City Clerk as he thinks that this list was specific for the two. He believes that a different list will have to be called for.

Com. from Director, Human Services stating that the Department of Human Services/Taunton Council on Aging has the opportunity to apply for FY16/FY17 Community Development Block Grant funds through the Office of Economic and Community Development. At this time, she respectfully requests your approval to apply for funds to continue and expand the Elder Outreach Case Management Program and the Elder Outreach Nurse Program. **Councilor McCaul made a motion to approve. So Voted.**

Com. from Executive Director of Retirement advising of the retirement for Superannuation of Wayne Cumbus, an employee of the Taunton Fire Department on January 28, 2016 under the provisions set forth in Section #5 of Chapter 32 of the General Laws of Massachusetts. Please pay regular compensation and accumulated benefits up to and including the date of retirement. **Councilor Borges made a motion to**

receive and place on file and send the proper scroll to thank Mr. Cumbus for his service. So Voted. Mayor Hoye thanked him for his long career on the Fire Department.

Com. from Chairman, Taunton Planning Board advising that the Taunton Planning Board has received a Site Plan Review application for property at 68 Allison Avenue for a 7,191 square foot addition to the existing office building with associated grading submitted by Associates for Human Services. The DIRB will review this petition on Tuesday, January 19, 2016 at 9:30AM in the Taunton Planning Board Office, 15 Summer St., Annex Bldg. and the Taunton Planning Board will meet to review petition on Thursday, February 4, 2016 at 5:30PM in the Chester R Martin Municipal Council Chambers, 141 Oak St., Taunton, MA. **Councilor Borges made a motion to receive and place on file. So Voted.**

Com. from Chairman, Taunton Planning Board advising that the Taunton Planning Board has received an Amendment to Site Plan Review for Martignetti Distribution Center located on Charles Colton Rd., Pioneer Way and Dever Drive. This Amendment involves the acquisition of an abutting parcel (480 John Hancock Rd) to re-locate and replace Pioneer Way with a private driveway extending to John Hancock Road. The DIRB will review this petition on Tuesday, January 19, 2016 at 9:45AM in the Taunton Planning Board Office, 15 Summer St., Annex Bldg. and the Taunton Planning Board will meet to review petition on Thursday, February 4, 2016 at 5:30PM in the Chester R Martin Municipal Council Chambers, 141 Oak St., Taunton, MA. **Councilor McCaul made a motion to receive and place on file. So Voted.**

Com. from Chairman, Taunton Planning Board advising that the Taunton Planning Board has received a Site Plan Review application for property at 775 John Quincy Adams Road for the construction of a 4,782 square foot addition and site renovations, submitted by Taunton Lodge of Elks #150. The DIRB will review this petition on Tuesday, January 19, 2016 at 9:00AM in the Taunton Planning Board Office, 15 Summer St., Annex Bldg. and the Taunton Planning Board will meet to review petition on Thursday, February 4, 2016 at 5:30PM in the Chester R Martin Municipal Council Chambers, 141 Oak St., Taunton, MA. **Councilor Borges made a motion to receive and place on file. So Voted.**

Com. from General Manager, TMLP notifying of action taken on street lights; 1. Status of upgrading Washington Posts from High Pressure Sodium to LED fixtures (per verbal request for review by a Taunton City Councilor) Please see attached memo detailing TMLP's Washington Post light upgrades. In summary, when all 132 fixture changes are complete the City of Taunton will save \$39,425.76 annually in Street Lighting costs; 2. Per request of the Old Colony History Museum (see attached letter), replace (5) existing 250 Watt high pressure sodium lights on aluminum standards with LED Washington Post lights. Church Green Standards #8, 9, 10, 11 and 12, Taunton, MA. Current total cost is \$68.05 per month, the proposed total cost is \$106.25 per month, the difference is \$38.20 per month and does not include fuel adjustment credit. Please note the net annual savings from implementing both of the aforementioned changes will be approximately \$38,967.36. **Councilor Marshall motioned to move approval on the energy costs for Church Green per the request of the Old Colony History Museum. Councilor Croteau motioned that the TMLP provide the Council with what their cost is. So**

Voted. He stated that this is a capital outlay and the TMLP will be absorbing the one time cost for them to change these over to the LED. The City will see a savings of about \$39,000 per year. He thanked the Commission and the General Manager of the TMLP for accepting his request and moving forward with this.

Communications from Citizens:

Com. from Thomas Mahoney, Director of Airport Engineering, MassDOT, Logan Office Center, One Harborside Dr., Suite 205N, East Boston, MA informing the Council that Taunton Municipal Airport has been selected to be part of the next group of airports to receive a new building as part of the Statewide Airport Administration Building Program (SAAB), which began in 2014. Within the next few weeks MassDOT and the architectural team will be sitting down with all the airports in this group to develop the scope for the project. **Councilor Borges made a motion to refer to the Committee on the Needs of the Airport and the Committee on Finance and Salaries. So Voted.** Mayor Hoye stated that he has had some discussion with Barbara Auger on what would be the best way of the City funding their portion. He stated that they will meet with the Commission as well. It is good news for the airport.

Com. from John Garanito, President/Owner, Hawthorne Development, Inc. requesting a waiver of the road opening moratorium on Range Avenue. The request is being made so that we can tie into the water and sewer mains. The property, 545 Winthrop Street, is located at the corner of Range Avenue and Winthrop Streets. The lots are to the rear of the property and front on Range Avenue. **Councilor Borges made a motion to refer to the Committee on the Department of Public Works. So Voted.**

Communications in the hands of Councilors:

The Assistant City clerk read a communication from Scott Taberner, Chief of Behavioral Health and Supportive Care. He was writing to confirm that the Executive Office of Health and Human Services, Office of MassHealth is in receipt of a Certification of Public Expenditure (CPE) form from the City of Taunton for the operating expenses associated with Taunton Nursing Home for the period of January 1 through December 31, 2013. Based on this Certification, MassHealth will issue payment in the amount of \$678,976 in advance of June 30, 2016. **Councilor Borges made a motion to receive and place on file. So Voted.** Councilor Cleary asked what that means; where we just transferred \$1M to Taunton Nursing Home because they thought there was a serious shortfall. He thought that number was part of that. Mayor Hoye stated that the books were closed and the DOR tells us that we are in deficit of \$1.3M. Once it is closed, we have no choice but to raise it in this year's budget. Mayor Hoye stated that it looks like we have received half of it already. If we receive it by June 30th we may get special consideration to be able to apply that to this year's budget. He stated that it doesn't change the fact that we are in deficit. The Budget Director stated that he was going to wait until we actually receive the money before we try to figure it out. If we don't receive it, it is a moot discussion. If we do then we will see what DOR tells us what the next step is. Mayor Hoye stated that he will go over what the deficit is and why it is. **Councilor Croteau asked that we have a meeting with any City Councilors who wish to attend, the City Auditor, the consultant to the City Auditing Department, the Budget Director and Joe Martin. So Voted.** He still maintains that a significant portion of that deficit is on paper and it is very involved between the Federal Government

and the DOR. He stated that the question is, once the \$1.3M is written off, and some reimbursement money shows up after the fiscal year, where does the money go? Does it go into the Enterprise Fund for the Nursing Home or the General Fund. He would agree with the Budget Director that we need to sit down and figure out where this is all going because he thinks that the \$1.3M is on paper. He explained what the difference between a paper deficit and a cash deficit is. Mayor Hoye stated that we are waiting on funds from another government agency and because they are behind in their payments, it causes our books to go off balance. Some of it is certainly a paper deficit, some is not. He stated that there are four house liens totaling over \$400,000 that we are trying to collect. There are a couple of cases with the Bristol County Abuse Task Force which total about \$80,000. Councilor Croteau stated that the Federal Government's fiscal year is from November 1st to October 31st. The State and Local Government is from July 1st to June 30th. To further complicate things, the Federal Government does not pay its bills on time. He spoke about the hot lunch program. He stated that it could be a combination of a paper deficit and a cash deficit.

Petitions:

Petition submitted by John Gonsalves requesting a transfer of ownership of B&J Auto Sales located at 14 Whittenton Street, Taunton from John Gonsalves and William DeSa to John Gonsalves. **Motion was made to refer to the Committee on Police and License and the Police Chief. So Voted.**

Petition submitted by Taunton Municipal Lighting Plant and Verizon New England Inc. proposing to place one (1) new joint pole location EL71-1/2 on Hart Street, Taunton. **Motion was made to refer to the City Clerk to schedule a public hearing. So Voted.**

Claim submitted by Attorney Attorneys Allan J. Tufankjian and Michael J. Sacchietella, Law offices of Tufankjian, McDonald, Welch, & Sacchietella, PA, 25 Crescent Street, Brockton on behalf of his client Andrew Bartlett, 103 Hart St., Taunton seeking monetary damages as a result of his client suffering serious and permanent damages. **Motion was made to refer to the Law Department. So Voted.**

Claim submitted by Nancy Moniz, PO Box 4013, Fall River seeking reimbursement for damages to her automobile from hitting a pothole on Summer Street in the vicinity of Prospect Street, Creedway, and Spring Street. **Motion was made to refer to the Law Department and the DPW. So Voted.**

Claim submitted by Christina Ramos, 35 Westville Terrace, Taunton seeking reimbursement for damages to her automobile from hitting a pothole on Short Street near number 11. **Motion was made to refer to the Law Department and the DPW. So Voted.**

Committee Reports:

Motion was made for Committee reports to be read by Title and Approved. So Voted. Recommendations adopted to reflect the votes as recorded in Committee Reports. So Voted.

Unfinished Business:

Councilor McCaul stated that a few months ago there was talk about the double poles in the City. Councilor Croteau stated that the TMLP, Comcast and Verizon are all involved with the double poles. His understanding is that the TMLP has done a very good job in removing double poles which are an obstacle especially to handi-capped people. He stated that Verizon and Comcast have not done anything of substance. Councilor McCaul stated that if Verizon is coming in to talk about the petition that is coming up in front of the Council for a public hearing, they should explain to the Council what they are doing at that time. Councilor Croteau stated that this has been going on for several years. He spoke about how Verizon had said that there were only 5 double poles when in fact, there were 80. **Councilor McCaul made a motion to have an update from Verizon and the TMLP on the progress that has been made on the double poles. He would like to know how many have been replaced to a single pole. Councilor Croteau made a motion for the TMLP to provide the Council with a status report which monitors the whole situation. So Voted.**

Councilor Borges stated that she made a motion back in September to have the Zoning Enforcement Officer go and take a look at 40 West Britannia Street which she did. The property has gotten worse, the windows and doors are hanging off. **Motion was made for the Zoning Enforcement Officer to submit an update on 40 West Britannia Street. So Voted.**

Councilor Borges stated that at the December 15, 2015 Council meeting it was asked if anyone from the Taunton Pilot's Association or any other pilot had any concerns to please submit it to the Council so they would know what issues were going on at the airport. She stated that the Council has been getting several letters. Motion was made to send the letters to the Airport Commission. She stated that she has sent the Commission letters to get answers to some of the concerns that some of the pilots and members of the Taunton Pilot's Association have. She wanted to let everyone know that the Airport Commission meetings will now be held at City Hall and will be televised. Mayor Hoye asked if this required a vote. Councilor Borges stated that it does not; it was just something that she wanted to talk about.

Councilor Borges stated that there are some appointments that need to be made for the Taunton Nursing Home because some of the Board members have resigned and their appointments are up at the end of this month. There are two directors positions that she would like to look at. Also, the appointment of a family member who is appointed by the Residents Council at the Taunton Nursing Home and a business person with experience with personnel, fiscal management and business administration. She would like to hold off on the other appointments until the Council takes a look at the Board. She stated that the Council is also accepting resumes for anyone that is interested in the other two positions. **Motion was made for the Council to look at the Taunton Nursing Home Board and reevaluate it. Motion was made for the Committee on Ordinances and Enrolled Bills to take a look at the make-up of the Board of Directors which include the member of the clergy along with the Registered Nurse and consider replacing them with an attorney with elder law experience and a Registered Nurse that is currently working in a nursing home environment. Council President Quinn made**

a motion for the Committee on Ordinances and Enrolled Bills to look at the whole Ordinance to see what changes need to be made. So Voted.

New Business:

Councilor Pottier stated that yesterday, the engineers relative to the Casino project came and gave a nice presentation. He stated that it may have to do with the quality of the presentation that was given in November, but the attendance was much less than it was then. He stated that he was asked other than Hart's Four Corners and Gordon Owen Parkway, who will pay for all of the other improvements that are necessitated based upon mitigation of the actual casino coming in. Also, if it is not the City, what insurances does the City have so that we won't be making up those payments if the situation changes in East Taunton? Mayor Hoyer stated that the City will certainly not be making those payments. Hart's Four Corners is on the Transportation Improvement Plan for the Commonwealth and there may be some shared expense between the Tribe and the Commonwealth. Mayor Hoyer stated that Gordon Owen Parkway is not part of Project First Light. He stated that it is also part of the Transportation Improvement Plan. Those will be coming up shortly. There is a bond opportunity that the Tribe could have going to the City but that will be paid for in its entirety by the Tribe and their financial backers. They will have to be heavily bonded to make sure that if they ever were to default that the bond company would be responsible. He assures the residents of Taunton that they will not be paying for those infrastructure improvements.

Councilor Pottier asked Mayor Hoyer if he had heard of anything in the community on a MLK event on Monday. Mayor Hoyer stated that he will get the details out on the website. He believes it is at the Baptist Church of All Nations at 7pm. Councilor Pottier stated that it is a great event for the community.

Councilor Pottier stated that he has been in contact with the Police Chief on a number of issues relative to the Police Department. Councilor Pottier stated that the Chief has gone through the list for two and he has a number of names. He stated that the Committee on Police and License is thinking about holding interviews sooner rather than later to get those in the mix. He stated that Councilor Carr pointed out that sometimes it takes a while to get people through the academy. He stated that they are thinking of scheduling something as early as Monday. He understands that it is a holiday but maybe it can be done in the afternoon either at the Police Station or City Hall. **Motion was made to refer to the City Clerk's Office for a list of an additional four police officers based on the Supplemental Budget. Motion was made to refer the possibility of those interviews, if they can be scheduled by the Police Chief, for Monday at 1pm through the Clerk of Committee's Office. So Voted.** He stated that all the Councilors are welcome to come and do the interviews.

Councilor Pottier stated that the Police Chief mentioned that he may be looking for some part-time custodial help at the Police Department. **Motion was made to refer to the Mayor's Office, Committee on Finance and Salaries and the Committee on Police and License for something to be considered if there is deemed a need. So Voted.**

Councilor Cleary stated that a constituent was concerned about speeding on Caswell Street especially in the morning when the kids are walking to school coming up from

Liberty Street towards Martin School. **Motion was made to refer to the Police Department to place the radar trailer at that site. So Voted.**

Councilor Borges made a motion to refer the intersection of Route 104 and 44 in front of the 99 restaurant to Mass DOT. So Voted. She would like them to consider the right on a green arrow only because the ability to turn right on red there is causing a lot of congestion in that area.

Council President Quinn spoke about a letter from Gregory Glynn, supervisor of the Taunton Municipal Network about having the speakers adjusted. **Motion was made to have the City Clerk send a letter to the Building Department authorizing Mr. Pestana to come in and do the adjustments as needed so they will make time in his schedule to do that. So Voted.**

Councilor Croteau stated that he has had contact with people in the Community relative to the security at the Taunton Public Library. **Motion was made for Suzanne Duquette to provide a status report and the Police Department to assign someone to review the security measures and the need for additional security. So Voted.**
