Old Business

There were no military or overseas ballots to count as per discussion from the November 8, 2016 meeting. Board member R. Hoffmann asked about the "all others" category vs. "write-in" on the recount/audit form created by L. Bairos for the purpose of the State Auditor's Office (SAO) recount (audit) process. The City of Taunton was not randomly selected by the (SAO) as one of the cities/towns for the recount. The Board agreed the form created by L. Bairos was excellent and should be saved in the event of any future recount.
