

CDM SMITH IN MASSACHUSETTS

Our Projects

CDM Smith provides lasting and integrated solutions in water, environment, transportation, energy and facilities to public and private clients worldwide. As a full-service consulting, engineering, construction and operations firm, we deliver exceptional client service, quality results and enduring value across the entire project life-cycle.

On February 25, 2011, Camp Dresser & McKee Inc. (CDM) and Wilbur Smith Associates combined to expand our global, full-service capabilities. Our combined firm—CDM Smith—realizes over \$1 billion in annual revenues and calls upon a multi-disciplinary staff nearly 6,000 employees in more than 120 offices worldwide, including our world headquarters in Cambridge and satellite office in Chelmsford.

Services include:

- Integrated Water Resources Planning
- Environment
- Energy
- Transportation
- Facilities and Buildings
- International Development
- Sustainable Development

Key Issues for Public Infrastructure and Environment

- Aging Water and Wastewater Infrastructure
- Limited Funding
- Increasingly Stringent Permitting
- Climate Change
