Fats, Oils and Grease (FOG) Grease Trap Inspection Report

***This form OR one with the same information must be provided to the business owner if pumping is not required.

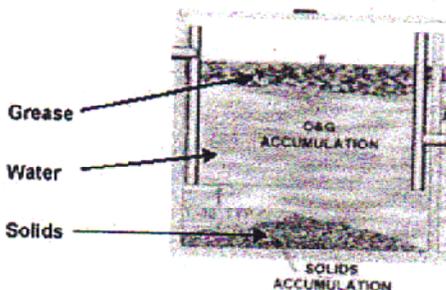

1. Facility Name: _____

Address: _____

City: _____ State: _____ Zip: _____

2. Haulers Manifest Number: _____

3. Trap Measurements (25% Rule):

$$\begin{array}{r} \boxed{} + \boxed{} = \boxed{} \quad (M) \\ \text{Depth of Grease} \quad \text{Depth of Solids} \quad \text{Total} \end{array}$$

$$\begin{array}{r} \boxed{} \times \boxed{0.25} = \boxed{} \quad (P) \\ \text{Depth of Trap} \quad \quad \quad \text{25\%} \end{array}$$

If M is greater than P. Trap must be pumped out.

4. Grease Trap Condition:

A. Fully functional and in good condition _____

B. In need of repair _____ (type of repairs needed list and describe below)

Repaires: _____

5. Hauler Signature: _____ Date: _____
