Re: Intergovernmental Agreement

Dear Mr. Horrigan:

Mayor Hoye has shared with us your concerns about the intentions of the Mashpee Wampanoag Tribe with respect to the Tribe's electric power needs for its proposed casino project in Taunton. Please be reassured that the Tribe is not only committed, but because of the excellent reputation of the TMLP, looks forward to being a retail customer of the TMLP. To the extent that the Tribe has even considered any other source of power, those considerations have been limited to small on-site renewable energy alternatives, which we understand that the TMLP supports in any event.

We are happy enter into a binding legal agreement directly with the TMLP expressing this commitment and addressing any capacity, usage and infrastructure concerns that TMLP may have. We will look forward to receiving TMLP's thoughts in this regard.

Sincerely,

A handwritten signature in cursive script that reads 'Cedric Cromwell'.

Cedric Cromwell
Chairman, Mashpee Wampanoag Tribe
