Zoning Compliance/ Determination Form

The following approvals/ actions will be required prior to receiving a building permit, license, business certificate etc for the use, activity or construction proposed. This form is to verify compliance with Zoning Ordinance requirements only. Any needed zoning approvals or actions will be noted. Requirements and approvals needed from other Departments or processes (such as Conservation, Board of Health, License Commission etc) will be noted if known by the Zoning Administrator, but they must be verified and obtained from each of those respective agencies or Departments.

Applicant Name: _____ Phone: _____

Applicants Address: _____

Proposed Location: _____ Zoning District: _____

Nature of Use, Activity and/or Construction Proposed: _____

Determination Based on the Following Plans: _____

I hereby attest that the above information is accurate and that any deviation from the above mentioned project description could alter the determination issued below. I also understand that a business certificate from the City Clerk is necessary to conduct the proposed business activity. The issuance of a business certificate for a location does not constitute the establishment of a business use for zoning purposes.

Property owner / Tenant

For Office Use Only Below this line;

Determination: _____

Any other approvals, licenses, permits, or inspections required by other boards, departments, agencies etc at the City, State, or federal Level are not included as a part of this determination.
