Municipal Council Meeting Minutes
City Hall, 15 Summer Street, Taunton, MA
Minutes, May 3, 2022 at 7:32 O'clock P.M.*

Regular Meeting

Mayor Shaunna L. O'Connell presiding

Prayer was offered by the Mayor

A moment of silence was offered by the Mayor for the passing of Eleanor Abreau, the mother of Tony Abreau, our D.P.W. Commissioner. She passed at 91-years old. Eleanor was a proud mother, grandmother and great-grandmother who treasured time with her family. Also, a moment of silence was offered by the Mayor for the passing of Francis J. Souza, father of David Souza, former School Committee Chairman. Francis was a loving husband of Jean. He was a proud father, grandfather and great-grandfather. He was also a Korean War Veteran whose service we are grateful for. Our thoughts and prayers are with the families at this difficult time.

*Present at roll call were: Councilor Dooner, Duarte, McCaul, Pottier
Coute, Sanders, Quintal and Postell
Councilor Borges was absent.*

Record of preceding meeting was read by title and approved. So voted.

Motion was made to go out of the regular order of business to Appointments. So voted.

Motion was made to approve the list as read on a roll call vote. On a roll call vote, eight (8) councilors were present, eight (8) councilors voted in favor. Councilor Borges was absent. So voted.

The Assistant City Clerk then swore in the two Police Lieutenants, followed by the six Police Sergeants.

Motion was made to take a brief recess. So voted.

Motion was made to continue to go out of the regular order of business to Communications from the Mayor. So voted.

Communications from the Mayor:

Mayor O'Connell stated that May is Mental Health Awareness Month. They talked a lot about this last year during May how mental health is just as important as physical health and it needs to be treated that way. They are starting their Mental Health Awareness Month this week which is, Children's Mental Health Awareness Week. This is particularly important to ensure that our children have good mental health. Especially, after the effects of Covid. One of the things they did last year was that they started the Make It OK campaign. Which was well received by the public. This actually blossomed into a summer program for kids that really focused on mental health. She spoke about how they are helping DMH promote their efforts they are making for Mental Health Awareness. They are starting with providing Mental Health Awareness signs for Police Stations, Fire Stations, hospitals and schools. They are joining in this effort with New Bedford and Fall River. They are also promoting Light It Up Green, green is the color for Mental Health Awareness Month. They are encouraging everyone on Friday, May 6th, to wear green. Mayor O'Connell invited Erin Kelley-Green to the podium who is the Director of the Taunton Family Resource Center. This center provides a lot of different services for our families and our children so they can grow, thrive and be healthy. Mayor O'Connell presented Ms. Kelley-Green a proclamation for Mental Health Awareness Week. Ms. Kelley-Green spoke about how the City of Taunton and the Resource Center has a joint mission to breaking the stigma that is attached to mental health and assessing support that's necessary for wellness of the body, mind and spirit. She continued to explain what the Taunton Family Resource Center provides and how they help families.

Motion was made to revert back to the regular order of business. So voted.

Opportunity for input by the general public. There was nobody present to speak at public input.

Hearings:

NONE

Communications from the Mayor:

Mayor O'Connell stated there are forty-three (43) active reported Covid cases in Taunton. As a reminder, the Regional Vaccine Clinic at Northwoods is extended thorough June 30th. The City of Taunton has been working on our Natural Hazard Mitigation Plan. There

are two pieces to this. One, is Municipal Vulnerability Preparedness. This has been an ongoing process working with community stakeholders to identify and prioritize steps to reduce risks and improve resilience to projected climate change impact across the community. Two, they are also updating their Hazard Mitigation Plan on Monday, May 9th from 6-8p.m., located in the Council Chambers, there will be a listening session to share the findings developed from the MVP process. At the same time, there will be a public workshop on Hazard Mitigation Plan updates. The public is encouraged and invited to attend. On Wednesday, May 11th at 6:00p.m. in the Council Chambers, there will be a 911 Community Outreach listening session. There will be an overview of the 911 study that is currently underway of our emergency services. This is an opportunity for input on the current and future emergency dispatch services in Taunton. Again, the public is encouraged and invited to attend. All this information will be on the City of Taunton website and Facebook page.

Communications from City Officers:

Com. from Safety Officer Chaves, regarding a speed enforcement update for Shores Street and Kilton Street. On April 5, 2022 he placed the Black Cat II Plus radar recorder on the phone pole in front of 18 Kilton Street. The radar recorded the traffic speed from April 5th to the 13th. The traffic volume count is 4,128 vehicles with an average speed of 26mph with only 2% enforceable violation rate in this area. On April 13, 2022 he placed the Black Cat II Plus radar recorded on the pole in front of 58 Shores Street. The radar recorded the traffic speed from April 13th to April 21st. The traffic volume count is 4,610 vehicles with an average speed of 23mph with a 0% enforceable violation rate in this area. He spoke with the DPW and they have agreed to place *no parking here to corner* signs on Kilton Street near Oak Street. Two separate packets were issued with further details. **Motion was made to receive and place on file and to also include the two separate reports that were provided. So voted.**

Com. from the Director of Human Resources notifying of an open position for the City Clerk due to retirement. This vacancy will be open effective July 1, 2022. The City Clerk position will be posted on May 11, 2022 and will be open until filled. This position will be advertised on the Massachusetts Municipal Association (MMA) website, the City's website, and the City's Facebook page and posted internally. Councilor Duarte said this is in accordance to the policy that they spent considerable time putting together for the filling of these positions. He wanted to note that communications that were sent out in the past few days, that the job description was updated to reflect that the next City Clerk will not be in COTMA. This communication and the next one, was put together when they were planning on putting this on next week's agenda. The posting will actually be going up on May 9th. **Motion was made to approve the posting of the City Clerk position for May 9, 2022. So voted.** On discussion, Councilor Pottier asked for the motion to also be referred to the Committee of the Council as a Whole and as far as the process of the City Clerk not being in COMA, he asked for an explanation on this. **Councilor Duarte rescinded his motion. So voted. Motion was made to invite Amy Kazlauskas, the Human Resources Director into the enclosure. So voted.** Ms. Kazlauskas explained the COTMA position for the City Clerk was removed at the last collective bargaining agreement. They wanted to make sure the job description reflects that it was a COTMA position and will remain there until the City Clerk retires but, once she retires, then the position will be out of COTMA. This was already bargained at the last collective bargaining. **Councilor Sanders made a motion to refer the job description to the**

Committee of the Council as a Whole for review by the City Council as per the policy that they are about to adopt. So voted. Councilor Duarte was in opposition.

Com. from the Director, Human Resources notifying of an open position for the Clerk of Committees due to retirement. This vacancy will be open effective July 1, 2022. The City Clerk position will be posted on May 11, 2022 and will be open until filled. This position will be advertised on the Massachusetts Municipal Association (MMA) website, the City's website, and the City's Facebook page and posted internally. **Councilor Sanders made a motion to refer the job description to the Committee of the Council as a Whole for review by the City Council as per the policy that they are about to adopt. So voted. Councilor Duarte and Councilor McCaul were in opposition.**

Communications from Citizens:

Com. from the Mass. State Lottery Commission notifying of a KENO License application from Platinum City Gaming on 294 Winthrop Street. If the City objects to the issuance of the KENO license, it must claim its right to a hearing before MSLC within twenty-one (21) days of receipt of this notice. **Motion was made to refer to the Committee on Police and License. So voted.**

Com. from Pastor Fred Babiczuk, St. Anthony's Church, 126 School St., requesting to conduct a Candle Light Procession in Honor of Our Lady of Fatima on Saturday, May 14, 2022, immediately at 7:00p.m. Also, requesting a Police escort. **Motion was made to refer to the Public Safety Departments for review and approval. So voted.**

Com. from Pastor Fred Babiczuk, St. Anthony's Church, 126 School St., requesting to conduct the Holy Ghost Procession approximately at 10:15a.m. and again at 1:15p.m on June 5, 2022. Also, requesting a Police escort. **Motion was made to refer to the Public Safety Departments for review and approval. So voted.**

Com. received from seventeen (17) residents of Crapo Street asking that Crapo Street and the sidewalks be repaved. Crapo Street is in a serious state of disrepair and the patch work of the past has further hindered the condition of the street and sidewalks. **Motion was made to refer to the DPW and the Committee of the Department of Public Works. So voted.** Mayor O'Connell said they did contact the DPW about this. They will be submitting a letter for the next agenda.

Ordinance for a third reading to be Ordained on a roll call vote

AN ORDINANCE

Chapter 19

Sec. 19-27 Civilian Traffic Control Officers

Be it ordained by the Municipal Council of the City of Taunton as follows:

The Chief of Police may, at his discretion, appoint individuals of good moral character, to the position of Civilian Traffic Control Officer. Civilian Traffic Control Officers shall work under the oversight and direction of the Chief of Police or his/her designee.

Civilian Traffic Control Officers monitor, direct and control traffic through or around road construction sites. The Civilian Traffic Control Officers' responsibilities shall include, but not be limited to, directing vehicular and pedestrian traffic through or around construction zones, informing motorists of possible detour routes, reporting disobedient drivers to law enforcement officials, and answering motorists' questions. Civilian Traffic Control Officers must demonstrate a firm commitment to carry out assignments in a competent, timely and professional manner.

The Chief of Police shall develop a policy, subject to approval by the Mayor, relative to Civilian Traffic Control Officers to include qualifications, standards of work, physical

fitness requirements, pay, and uniforms. Civilian Traffic Control Officer assignments shall be made in accordance with the City of Taunton Police Department's detail hiring procedures as approved by the Chief of Police. The Chief of Police may revoke the appointment of any person to the position of Civilian Traffic Control Officer.

At a minimum, retired police officers otherwise eligible for appointment must maintain first responder certification. Non-police applicants must become certified under and approved certification program established under 701 CMR § 7.07(2). Civilian Traffic Control Officers under this Ordinance are subject to all regulations governing "road flaggers" as set forth in 701 CMR sec. 7.00 et seq. and all guidelines promulgated thereunder.

All ordinances or parts thereof inconsistent herewith are hereby repealed. This Ordinance shall become effective immediately upon passage.

Motion was made for the Ordinance to be Ordained on a roll call vote. On a roll call vote, eight (8) councilors were present, eight (8) councilors voted in favor. Councilor Borges was absent. So voted.

Order to be adopted on a roll call vote

The following be adopted as Standard Operating Procedure:

**Professional Appointments
Hiring Process for Municipal Council Appointments**

1. Notice of vacancy from Employee to the Human Resources Director.
2. The Human Resources Director sends a written communication of the vacancy to the Municipal Council, which is placed on the agenda.
3. The Human Resources Department sends the job description to both the Municipal Council and the Mayor for review or modification.
4. The Human Resources Department incorporates any suggested changes from the Municipal Council and the Mayor.
5. If any changes are made to the job description, the Human Resources Director sends the final draft to the respective union for approval.
6. The Human Resources Director, after discussion with the Municipal Council, prepares the job posting and determines the appropriate media to advertise the position.
7. Initially, the posting remains advertised for at least 14 days, with resumes and applications submitted confidentially and the position remains open until filled.
 - a. Resumes and applications submitted in the first 14 days are considered first.
8. The Human Resources Department has custody and control of all resumes and applications.

9. The Human Resources Department redacts names and addresses of the applicants and makes a copy of all materials and provides them to the Clerk of Committees for distribution to the Municipal Council.
 - a. Resumes and applications submitted after the first 14 days are kept on file in the Human Resources Department and ONLY be distributed to the Municipal Council if determined to be necessary for review by the Hiring Committee.
10. The Hiring Committee is established, consisting of:
 - a. Municipal Council President or designee
 - b. Mayor or designee
 - c. One member of Municipal Council on a related sub-committee designated by Chair of sub-committee
 - d. One member of Municipal Council-at-large designated by Municipal Council President
 - e. Human Resources Director
11. Executive Session is scheduled for the Hiring Committee to review applicants' resumes and applications. The Clerk of Committees posts the Executive Session meeting as required by the Open Meeting Law.
 - a. At the Executive Session, the Human Resources Director hands out packets of resumes and applications to the Hiring Committee members.
 - b. Resumes and applications are reviewed by the Hiring Committee and a list of potential candidates for interview is determined.
 - c. At the end of the Executive Session, the Human Resources Director collects the resumes and applications of the candidates.
 - d. The Hiring Committee determines potential interview dates.
12. Once interview dates are determined, the Clerk of Committees posts the interview dates as Executive Session meetings in accordance with the Open Meeting Law.
13. The Human Resources Department schedules interviews based on the dates determined by the Hiring Committee.
14. Interviews are completed on the designated dates in Executive Session.
 - a. At the end of the last interview, the Hiring Committee deliberates and determines finalist(s) for the vacant position.
15. The Clerk of Committees schedules question-and-answer sessions with the finalist(s) with no more than three Councilors at a time prior to the vote at the Municipal Council meeting.
16. The Municipal Council President places the finalist(s) on the agenda of the Committee of the Council as Whole for a recommendation to the Municipal Council.
17. The Human Resources Department provides a contingent job offer based on the vote of the Municipal Council.

18. The Municipal Council President places the appointment on the agenda of the Municipal Council for a final vote.
19. The Municipal Council votes to approve the finalist for appointment.
 - a. The Human Resources Department notifies the finalist and executes the onboarding process.
20. If the finalist is not approved by the Municipal Council, the process starts again, and the posting remains advertised until the position is filled.

Motion was made for the order to be adopted on a roll call vote. On discussion, Councilor Sanders stated his many objections in this proposed procedure are unresolved. He still has a number of concerns about the lack of council members involved from the beginning and the lack of clarity on several issues that he raised throughout the process. **On a roll call vote, eight (8) councilors were present, five (5) councilors voted in favor, three (3) councilors voted in opposition.** Councilors Quintal, Coute and McCaul, Duarte and Dooner were in favor. Councilors Postell, Sanders and Pottier were in opposition. Councilor Borges was absent. **So voted.** Motion passed.

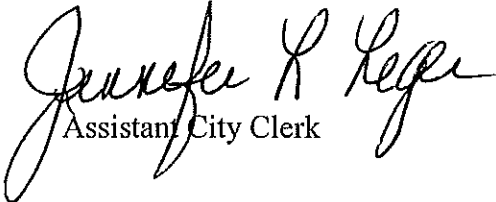

New Business:

Councilor Pottier stated a resident brought to his attention that a large part of Bay Street was recently done near Andy's Market, including new sidewalks. Seemingly, a number of telephone poles then had affixed to them some dark-brown braces which unfortunately necessitated the brand-new sidewalk to be cut into in many instances and be patched. **Motion was made to refer this issue to the DPW for better planning in the future. So voted.**

Meeting adjourned at 8:19 P.M.

THE COMMITTEE ON FINANCE AND SALARIES – CONTINUED

The Chief Financial Officer said the transfers being requested by him tonight are to close out capital projects and increase the stabilization account. The Mayor asked the Finance Department to identify any and all deficit accounts that are reducing free cash and they identified some of the accounts going back to 2011. After this evening there are no longer any multiyear projects in deficit. Going forward they are committed to the Council that they are now responsible to the Council for any deficits prior to year end. They now have procedures in place that require them to cover any capital expenses in the fiscal year the expense is incurred which will prevent any of these events from occurring. Tonight they are asking for the outlay on this specific piece, the first part, of \$11,007,562. After the transfer of \$9 Million, (the current balance of the stabilization account is \$19,526,597.53) so the \$9 Million transfer will increase that to \$28,526,597.53. This replaces the stabilization used during Fiscal Year 2022 and add some. The amount used in FY 2022 was \$8,536,476.00, so they are placing more in than they used. This brings the stabilization balance to a little over 10% of the anticipated 2023 budget which is a good thing.

The second item he would like to bring up to the Council is the public safety stabilization account. The current balance in the stabilization account is \$1,530,627.00. After tonight's transfer, should the Council approve it, the balance will be \$2,078,654.00.

They are also planning to ask for Council approval that any excess bond proceeds issued from the Mulcahey School be transferred to this account at a future meeting. There will be a surplus in that account. While the project is still ongoing they do not currently have the exact figure so it is not being brought forward this evening. That will bring the account to over \$3 Million going into the issuance of an RFQ for the Public Safety Building. The current state of the RFQ that they drafted is being reviewed for comments and questions by the stakeholders, the Fire Chief and the Police Chief, and they are awaiting their feedback.

Lastly, the County Street roadwork for \$394,425.79 is another very important project. This is simply just a balance sheet deficit. The Council had approved \$2 Million to be borrowed. This authorization is effectively untouched and as mentioned during the capital budget hearing their effort is to only issue general obligation bonds once a year here and after, so by approving this transfer, the deficits for fiscal year 2022 will be covered. Their borrowing will not have to be initiated until later on saving the City tens of thousands of dollars in interest. By approving this transfer they will not need to issue any bonds for FY 2022 and this will be in line with the capital outlay that they explained during the capital budget hearing. This saves money, it is efficient and going forward their debt service plan will now be able to be put in place should the transfer be approved.

Councilor Pottier said that what they are doing here is moving free cash to cover

PAGE THREE

THE COMMITTEE ON FINANCE AND SALARIES – CONTINUED

accounts that were in deficit except for the \$9 Million that is being put into stabilization, is that correct?

Mr. Dello Russo said the general stabilization and the public safety stabilization. Councilor Pottier then said other than that \$9.5 Million everything else is to cover deficits. He then asked if there is any money remaining in free cash or is this drawing that number down. Mr. Dello Russo said it draws it down to zero and the money will be in stabilization and accessible to the Council prior to next year's certification.

The Auditor said currently, if the fiscal year were to end today, there would be an operational deficit of \$2.4 Million in the City Hall Project fund, you combine that with possibly another \$111,000.00 in possible expenditures it brings the possible deficit up to \$2.5 Million. Instead of borrowing another \$2.5 Million, what they are recommending is that they transfer the balance of what is in the City Hall Fire Restoration Insurance Recovery Fund of \$372,000.00 as well as \$2.1 Million from the City Hall Project Stabilization fund, that will cover the current deficit as well as the \$111,000.00 that is currently encumbered against the project. That would leave a remaining balance today of \$276,266.83 in the City Hall Stabilization which if that balance remains, they would then in a future date request that it get transferred to public safety.

Mr. Dello Russo pointed out that the list of transfers goes back to 2011. They have a plan going forward and they are responsible now for anything that happens.

MOTION: MOVE APPROVAL OF THE TRANSFER FROM FREE CASH INTO THE STABILIZATION ACCOUNT. SOVOTED.

MOTION: MOVE APPROVAL OF THE TRANSFER REGARDING THE CITY HALL PROJECT AS REQUESTED. SO VOTED.

THE COMMITTEE OF THE COUNCIL AS A WHOLE

TAUNTON, MA

PRESENT WERE: COUNCIL PRESIDENT PHILLIP DUARTE AND COUNCILORS DOONERTY, CLERK MCCAUL, POTTIER, COUTE, SANDERS, QUINTAL AND POSTELL. ALSO PRESENT WERE EXECUTIVE DIRECTOR OF THE OFFICE OF ECONOMIC AND COMMUNITY DEVELOPMENT WILLIAM ROTH, MICHAEL BINDA, OHN DESOUSA OF NORTH COUNTY GROUP, ASSISTANT CITY SOLICITOR THOMAS GAY AND HUMAN RESOURCES DIRECTOR AMY KAZLAUSKAS

MEETING CALLED TO ORDER AT 6:31 P.M.

1. MEET TO DISCUSS HOUSING DEVELOPMENT INCENTIVE PROGRAM REQUEST FOR 24 WINTHROP STREET

Mr. Roth said the Housing Development Incentive Program is designed to increase residential growth, expand diversity of housing stock, support economic development and promote neighborhood stabilization in designated Housing Development Zones in Gateway Municipalities by providing incentives to rehabilitate multi-unit properties for sale or lease for market rate residential units. The program provides two incentives for developers: (1) a local option property tax exemption on all or part of the increased property value, the increment, resulting from improvements, and (2) a state tax credit for Qualified Substantial Rehabilitation Expenses.

The applicants are proposing a local only. HDIP on the State side is extremely backlogged and they have a lot of large projects that are waiting. Hopefully there is new funding coming through in the next legislative session.

Mr. Binda is proposing at 24 Winthrop Street a 16 unit residential development with ground floor retail. The only section of the HDIP would be the residential units. The commercial units will have full tax value. The Mayor's Office, OECD and the applicant have been going through negotiations. The original proposal was for a 10% reduction over 10 years on the incremental value. The HDIP minimum requirements are 10% a year for a minimum of 5 years. After reviewing it and discussing it with the Assessors they are recommending, and recommended to the developer, a 7 year reduction that is a bell shape. So it is 10% the first year, 15% the second year, 20% the third and fourth years, 15% the fifth year, 10% the sixth year and 10% the seventh year. When they looked at the numbers the tax savings the developer would be getting on this based on constant dollars, so they are not projecting out what growth is so everything is even, would be about \$35,500.00. That was the 10 year 10%. The way they looked at it on the 7 years is still the same amount but having the 10% and going up and then back down so they get more new growth in the first year. That is something that the Assessor wanted to look at doing. The actual exemption, the Tax Increment Exemption Agreement, has been reviewed by the Law Department and has been submitted as part

of the packet. The process would be that they review it, if the Council agrees to approve it then it has to be sent to the State for their final approval for local option. It then comes back for ratification. This is step 1 of a 2 step process.

Councilor Pottier said there are 2 aspects to the opportunity for either grants or forgiveness to the applicant. One is, as was mentioned, State credits and the second was a discount on his taxes, is that basically it?

Mr. Roth said yes, there is the local option property tax exemption which is the first one. In order to qualify for the State exemption you have to have the local option exemption. So it is the local option exemption then they could file for the State credit for the qualified substantial rehabilitation expenses.

Councilor Pottier asked why does an exemption make this a go or no go for the project in this market. Mr. Binda said because of the rising costs they have been dealing with in regard to materials as well as some of the site conditions that are there, so that \$35,000 would help. The units will all be market rate.

Mr. Roth said this is driven by market forces and is to present market rate housing. He further said they have had this program on the books since 2015 and no one has taken advantage of it. When they have developers come in to their office there are very few that say they want to build market rate, 95% of the developers that come into his office are seeking subsidy for low to moderate income.

Councilor Pottier clarified that this is a \$35,000 tax credit over 7 years, and that the \$35,000 is the total. There are 16 units and Councilor Pottier said this would be granted for a \$2,000 discount per unit. These will be rentable apartments.

Councilor Duarte noted that one of the things mentioned in the Tax Increment Agreement is that they will be rented for market rate, then it points to Exhibit 3 so the proposed initial monthly rents are \$1,200 a month for the one bedroom and \$1,550 for the two bedroom and beyond that they will be priced in compliance with DHCD's HDIP guidelines.

It was noted that this is a \$2.2 Million project and Councilor Coute said this is a small tax break for a piece of property that is currently producing no income.

Councilor Sanders said the developer is going to make money on this project and he struggles with the City kicking in \$35,000 when the developer is going to make money on the project. He does not see how \$35,000 will make or break this deal and is not sure he will be supporting this.

It was said that the City is not putting money into this, the program just reduces the incremental improvement costs for 7 years. This is the only program that deals with market rate housing. The City is in desperate need of market rate housing. Mr. Roth also said he has not seen any market rate housing come in in this district.
