**O'CONNELL INVITES RESIDENTS TO ATTEND  
NATURAL HAZARD MITIGATION PLAN WORKSHOP**

Taunton, MA...Today Mayor Shaunna O'Connell invites residents of the City of Taunton to attend a Natural Hazard Mitigation Plan Virtual Workshop.

The City of Taunton is currently developing an update to the 2004 Natural Hazard Mitigation Plan. This plan allows our City to prepare for the future and receive funding for projects that reduce the risk of injury or damage to property from natural hazard events such as flooding, hurricanes or snow.

The Natural Hazard Mitigation Plan update will build on some of the work already completed by the City over recent years. The upcoming workshop will provide information about what the City has accomplished thus far and will include planning for the future. Members of the public are invited to call in to this virtual workshop and participate in the meeting.
