QUESTION 1
PROPOSED CONSTITUTIONAL AMENDMENT
Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the two Houses, on June 12, 2019 (yes 147 – 140), and again on June 6, 2021 (yes 159 – 149)?

This proposed constitutional amendment would establish an additional 4% tax on an individual's taxable income on the portion of annual taxable income in excess of $1 million. This income level would be adjusted annually, by the same method used for federal income tax brackets, to reflect increases in the cost of living.

Revenues from this tax would be used, subject to appropriation by the state legislature, for public education, public colleges and universities, and the departments of health and human services.

A YES VOTE would amend the state Constitution to impose an additional 4% tax on all individuals whose portion of annual taxable income in excess of $1 million. This tax would be subject to appropriation by the state legislature, in education and transportation.

A NO VOTE would not make a change in the state Constitution relative to income tax.

QUESTION 2
LAW PROPOSED BY INITIATIVE PETITION
Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2022?

This proposed law would require that a dental insurance policy cover annual check-ups and preventive services up to 80% for children and 70% for adults. The policy would also require coverage for 100% of the cost of emergency services. The law would require that the premium rates for this policy be filed with the Division of Insurance.

A YES VOTE would require that dental insurance policies cover annual check-ups and preventive services and require that the premium rates for these policies be filed with the Division of Insurance.

A NO VOTE would not require a change in the laws relative to insurance companies.

QUESTION 3
LAW PROPOSED BY INITIATIVE PETITION
Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2022?

This proposed law would extend the current 15% limit on the maximum amount of alcohol that can be sold at a time to 20% for the sale of alcoholic beverages for off-premise consumption, including wines and malt beverages. The law would also require that any retail license applications include a statement that the applicant intends to comply with the new limit.

A YES VOTE would extend the limit on the maximum amount of alcohol that can be sold for off-premise consumption to 20% and require all applications for retail licenses to include a statement that the applicant intends to comply with the new limit.

A NO VOTE would not make a change in the laws relative to the sale of alcoholic beverages.

QUESTION 4
REFERENDUM ON AN EXISTING LAW
Do you approve of a law summarized below, which is approved by the House of Representatives and the Senate on May 26, 2022?

This law allows Massachusetts residents who cannot provide proof of lawful presence in the United States to obtain a driver's license or learner's permit if they meet all other qualifications, including a driver's exam and insurance. The law provides that, when renewing an application for a driver's license or learner's permit, the health department may not require proof of lawful presence in the United States to obtain a REAL ID.

A YES VOTE would allow Massachusetts residents who cannot provide proof of lawful presence in the United States to obtain a driver's license or learner's permit.

A NO VOTE would not make a change in laws concerning driver's licenses or learner's permits.
