PROPOSED CONSTITUTIONAL AMENDMENT

Do you approve the adoption of an amendment to the constitution as summarized below, which was approved by the General Court in joint sessions of the two houses on June 12, 2019 (House 157 - 146) and again on June 30, 2019 (House 154 - 141)?

SUMMARY

This proposed constitutional amendment would establish an additional 4% state income tax on that portion of annual taxable income in excess of $1 million. This income level would be adjusted annually, by the same method used for federal income tax brackets, to reflect increases in the cost of living. Revenue from this tax would be used, subject to appropriation by the state Legislature, for public education, public colleges and universities, and for the repair, maintenance, and improvement of public roads, bridges, and other transportation. This proposed amendment would apply to one tax filing year on or after July 1, 2021.

YES VOTE: would amend the State Constitution to impose an additional 4% tax on that portion of incomes over $1 million to be used for school improvement by the state Legislature, on education and transportation.

NO VOTE: would not allow a change in the state Constitution relative to income tax.

LAW PROPOSED BY INITIATIVE PETITION

Do you approve a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2022?

SUMMARY

This proposed law was to direct the Commissioner of the Massachusetts Division of Insurance to approve or disapprove the rates of dental benefit plans and would require that a dental insurance carrier file an annual aggregate medical loss ratio for its covered dental benefit plans of 85 percent. The medical loss ratio would measure the amount of premium dollars a dental insurance carrier spends on claims, administrative expenses, and other benefits to its covered enrollees. This proposed law would require the Commissioner to consider various factors in determining whether to approve or disapprove the rates. The proposed law would also allow the Commissioner to order a dental insurance carrier to file annual reports on the basis of which the Commissioner would determine whether to approve or disapprove a dental insurance carrier's rates.

YES VOTE: would regulate dental benefit plans and require a minimum medical loss ratio of 85%.

NO VOTE: would not allow a change in the law relative to dental insurance carriers.

LAW PROPOSED BY INITIATIVE PETITION

Do you approve a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2022?

SUMMARY

This proposed law would establish a maximum number of "sober drivers" to be licensed in Massachusetts for off-premise consumption of alcoholic beverages and would prohibit the sale of alcoholic beverages through liquor stores or restaurants.

YES VOTE: would regulate the sale of alcoholic beverages to off-premise consumption through liquor stores or restaurants.

NO VOTE: would not allow a change in the law relative to alcoholic beverages.

REFFERENDUM ON AN EXISTING LAW

Do you approve a law summarized below, which was approved by the House of Representatives and the Senate on May 20, 2021?

SUMMARY

This law allows Massachusetts residents to obtain a standard driver's license or learner's permit on the same terms and conditions as residents of other states, under certain circumstances. The law requires that applicants for a standard driver's license provide proof of lawful presence in the United States to obtain a standard driver's license or learner's permit, unless they are a permanent resident of the United States or the holder of a U.S. passport. The law also requires that applicants for a learner's permit provide proof of lawful presence in the United States to obtain a learner's permit.

YES VOTE: would keep the law, which will allow Massachusetts residents who cannot provide proof of lawful presence in the United States to obtain a standard driver's license or learner's permit, unless they are a permanent resident of the United States or the holder of a U.S. passport.

NO VOTE: would repeal the law.
